13. Leadership for Change

CPD is Knowledge & Skills

Some of my ideas of IEMA resources available to you

Competencies people most get stuck with....

Competency 1

<https://www.iema.net/policy/environmental-management/environmental-megatrends-2017>

Future Megatrends: How to identify and Integrate These into Your Environmental Systems 2017

Competency 1

Sustainable Development

Definitions

IEMA Bookclub “Our Common Future” August 2020

<https://www.iema.net/resources/event-reports/2020/08/20/iema-book-club-our-common-future>

Difference between “ environment” and “sustainability”

Competency 1

Competency 2 Business models

Circular economy IEMA Webinar series

Green economy 50% young people say they want a job that protects the planet.....

Blue economy - Sustainable marine economy,
<https://blue-economy.co.uk/> Gunter Pauli Zeri
philosophy

Safe operating space Kate Raworth Doughnut Economics
- IEMA bookclub on this topic

Competency 3

Personal recommendations...

Refresh your knowledge of natural cycles –
make links to your work

05/06/20 Webinar by Pat Snowdon
“The Changing Economy of Trees.”

Competency 4

Transform and Webinars

25/09/20 Setting targets under the Environment Bill

11/09/20 Intro Industrial Emissions Directive

Competency 6

Disruptive Technologies... AI, satellite imagery...

IEMA Reading IEMA Fellows working group

“Thought piece on Disruptive Technologies”
(Annex)

IEMA Webinar Jae Mather FIEMA

“Electrification to Net Zero” 25/06/2020

Transforming the world
to sustainability

IEMA Sustainability Impact Awards

a great resource for innovation and
best practice ideas

Competency 13

Make notes of examples of good strategy, targets, campaigns.... Examples of challenging the status quo

Ask yourself what needs to change.....

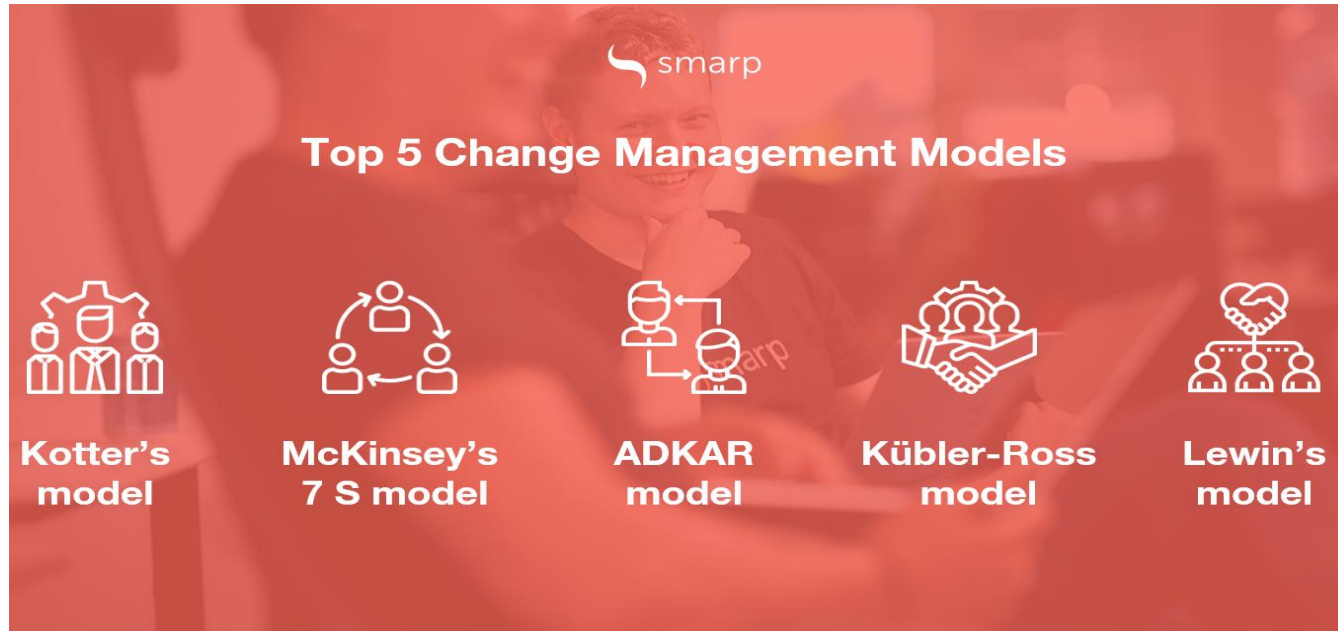

What stage is your organisation at in terms of embedding sustainability?

IEMA Reading Room Paul Reeve “Sustainability: engaging with drivers for change” pages 5-7

13 Change Management Models to Take a Look at

<https://blog.smarp.com/5-change-management-models-to-take-a-look-at>

Take control of your CPD!

Use the skills map 13 competency areas

Widen your evidence

Set goals

Make one of these goals progressing your
membership level
