

How To: Become a Practitioner – Problem Reframing and Resolution

07/07/2022

James Smith

How To: Become a Practitioner

Aimed at members looking to take the next step in their membership journey and achieve Practitioner membership status or existing practitioner members wanting to equip themselves with ongoing skills, this series of webinars will enable you to progress to meet your sustainability goals.

In this eighth webinar, James will be discussing some of the content of learning outcome 8, including the ability to innovate and to introduce new ways of thinking to help us search for a sustainable future.

Questions:

There will be time for a Q&A session at the end of this webinar.

Please type your questions for our speakers into the questions box and we'll answer as many as we can at the end of the session.

For membership questions, please contact our membership team - info@iema.net - 01522540069

Webinar slides & recording

This webinar will be recorded, and the slides and recording will be made available to IEMA members within 48 hours of the webinar.

You'll be able to find the slides and recording on the 'Watch Again' section of the website.
