Review and Improve

Corporate Partner
offer

Professional
standards

COP28

- Loss and damage genuinely surprising and welcomed
- But – concern about a failure of collective international leadership on fossil fuels
- Good that there was food and farming but (as everything) it's voluntary

IEMA's year 2024

Delivery

- IT and Purpose project
- Member journeys, value and “fast-track”
- C-suite / Fellows & Full /Academic network
- Skills map review
- Green Careers hub and jobs board
- International

Westminster and Whitehall

Election year
(almost certainly)
- opportunities
and challenges.

International

Elections all over
the world =
instability in
international
processes
